

Midlands Saddle Club

Mission Statement

Midland's Saddle Club was organized in 1984, under a non-profit status. Its members consist of horse enthusiasts from the midlands of South Carolina.

Our club offers education, fun, and sportsmanship for the entire family. We welcome all levels of horsemanship, all breeds of horses, and all ages of riders and non-riders. You do not have to own a horse to join or participate. Our club plans events, trips, and other club activities. Experience this wonderful opportunity with us.

Some of our current members own and professionally show registered horses. Others own mules and grade horses for trail riding, camping trips, and/or show in an arena throughout the year. Many different breeds are represented in our club such as quarter horses, saddle breeds, gaited, drafts, paints, palominos, appaloosas, and miniature horses. The riding styles of our members western English, jumping, speed events and rodeo. We also have some who like to halter and drive. We strive to offer something for everyone.

Meetings are held on the first Thursday of each month to discuss club business and upcoming events. We host several family outings each year. Educational trips are taken to clinics and professional barns. And guest speakers will meet with us to discuss horse training, hoof care, and health care of our horses.

We sponsor two Fun Shows each year. Our Fun Shows are informal, welcoming beginner horse owners who just want to have fun or for some who would like to prepare for the real show ring.

Riding and camping activities in state park trail rides, beach rides and parades. Each year Midlands Saddle Club proudly supports one or more local charities.

Our goal is to further educate ourselves, share ones knowledge and support each other. And most of all to enjoy our horses!
